

Tips for Leading Sunday Message Based Studies

1. Give yourself ample **time to prepare in both prayer and study**. You may feel like you don't have to, given that the questions are already provided. But this is still needed!
2. Be sure to still summarize the **main point of the message, and of the study**, in your own words. Think along the lines of:
 - a. What do I want people to know? Why?
 - b. What do I want people to do? Why?
3. Don't get stuck on questions about the message. You want to address those for sure, but you also want to **get into the Bible** during your time together. Note the time suggestions for each question!
4. Be sure to end the study with your main point(s) mentioned in #2. Everyone should be able to walk away with an understanding of what they were supposed to get.
5. Encourage members who missed Sunday to listen to the message online before coming.
